**University Health**

April 2 · 🌐

Vaccine appointments are now available for the week of April 12-16 at Wonderland of the Americas.

Everyone age 16 and older is now eligible to receive a COVID-19 vaccine in Texas.

We will continue opening vaccine appointments as they become available. If you are not able to schedule an appointment on your first attempt, please check the website again later. Our ability to open scheduling is dependent on the amount of vaccine we receive from the State.

Visit <https://www.universityhealthsystem.com/coronaviru.../vaccine> to schedule your appointment now. **See less**

Visit the COVID-19 Information Center for vaccine resources.
